

Is your hatch a 'bit' rusty?

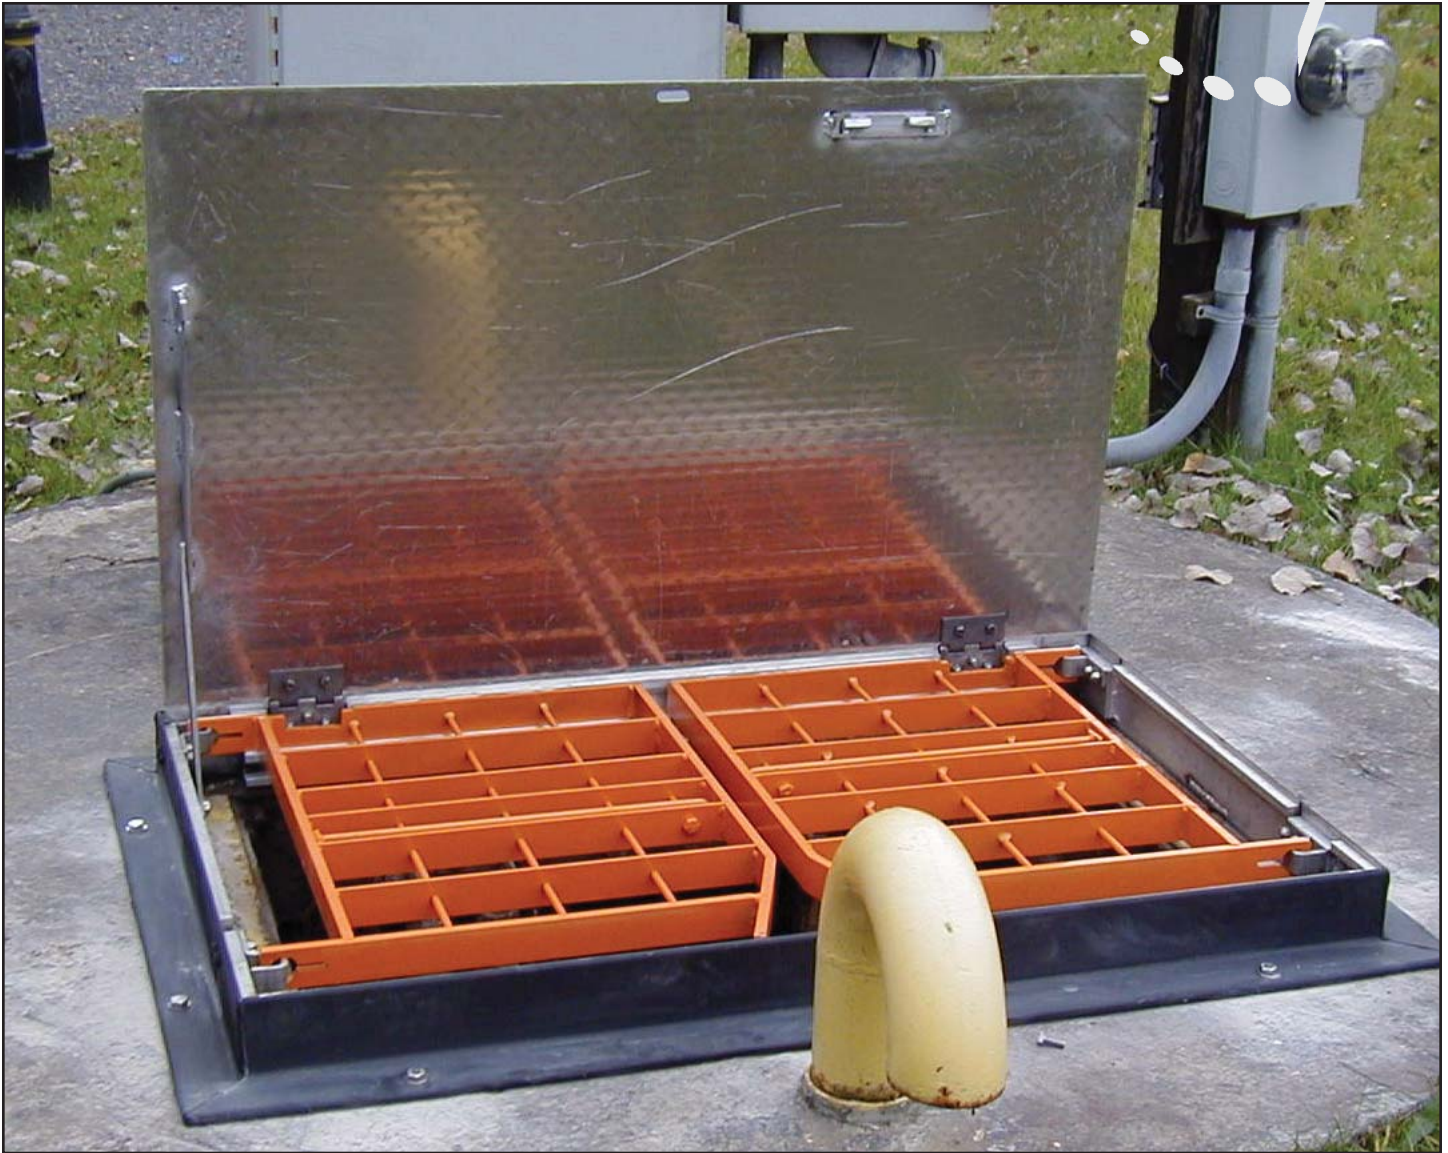

Springs shot?

**Hinges
questionable?**

**We have
your solution!**

Syracuse Castings are experts at retrofit hatches. Hatch design assures a quick changeover.

Design Features

- **Easy Installation.** In many cases, all that is needed is the removal of the existing cover and hinges. The new hatch is then lagged to the top of the existing structure.
- **All Stainless Steel hardware**
- **Stainless Steel lift-spring** for ease of opening cover
- **Exposed Padlock Clip.** Other locking devices are available upon request.

Design Benefits

- **Visual Inspection.** Limited maintenance can be performed with safety grates in place.
- **Visible Hazard Barrier.** Safety orange TGIC epoxy powder coating is highly visible for hazard areas.
- **Corrosion Resistant**
